

# Oceano Library

The Oceano Book Discussion Group (**OBDG**) consists of book lovers who like to share books they are reading as well as get ideas for new good reads from other book lovers. The **OBDG** meets the 2<sup>nd</sup> Thursday of each month from 6:15-7:30 at the Oceano Library. Most months, we share books we are currently reading, but three or four months a year, the group chooses a common book to read and discuss. All book lovers are welcome, be they first time or long time book discussion members, so please join us! For more information contact Vicki Cyr, Oceano Branch manager at 805-474-7478.
